INPATIENT QUESTIONNAIRE

What is the survey about?

This survey is about your most recent experience as an inpatient at the National Health Service hospital named in the letter enclosed with this questionnaire.

Who should complete the questionnaire?

The questions should be answered by the person named on the front of the envelope. If that person needs help to complete the questionnaire, the answers should be given from his / her point of view – not the point of view of the person who is helping.

Completing the questionnaire

For each question please cross ☑ clearly inside one box using a black or blue pen. For some questions you will be instructed that you may cross more than one box.

Sometimes you will find the box you have crossed has an instruction to go to another question. By following the instructions carefully you will miss out questions that do not apply to you.

Don’t worry if you make a mistake; simply fill in the box ■ and put a cross ☑ in the correct box.

Please do not write your name or address anywhere on the questionnaire.
