

# Message from the Patient Survey Co-ordination Centre: Inpatient Survey 2015

## Publication date announced for the 2015 Inpatient Survey

The Care Quality Commission has confirmed that the publication date for the 2015 Inpatient Survey will be **8<sup>th</sup> June 2016**.

On this date, trust benchmarking reports, national results and a range of other documents will be made publically available. However, trusts will receive their results under embargo during the week commencing 23<sup>rd</sup> of May (approximately two weeks before the publication date).

**PLEASE NOTE:** If you have received this email, you are listed as one of the key contacts at your trust for the Inpatient Survey. This means you will be receiving the embargoed results prior to publication. If you are not a key contact for the survey please let the Co-ordination Centre know as soon as possible.

If you wish to notify us about a change of contact at your trust or have any questions please contact us on [ip.cc@pickereurope.ac.uk](mailto:ip.cc@pickereurope.ac.uk) or 01865 208127, and a member of the team will be happy to help.
